FÊTE DES VINS & CRÉMANTS

MOSELLE EDITION

13-15 & 20-22 November

33 winemakers from the Moselle valley are happy to invite you to the *Fête des Vins & Crémants – Moselle edition*. Enjoy the wines and crémants grown in the heart of Europe and let yourself be surprised by the great variety of Moselle wines.

An insider tip among wine lovers

The Moselle valley attracts both wine and nature lovers with its charming wine villages and its special ambience. Discover the wide range of grape varieties, consisting of 90% of white wine grape varieties such as Riesling, Auxerrois, Rivaner and Pinot Gris, turning Luxembourg into an authentic and quality-conscious white wine region. And this region loves to sparkle. The Luxembourg Moselle was the first non-French wine-growing region to be given the name "Crémant" for its sparkling wine in 1991.

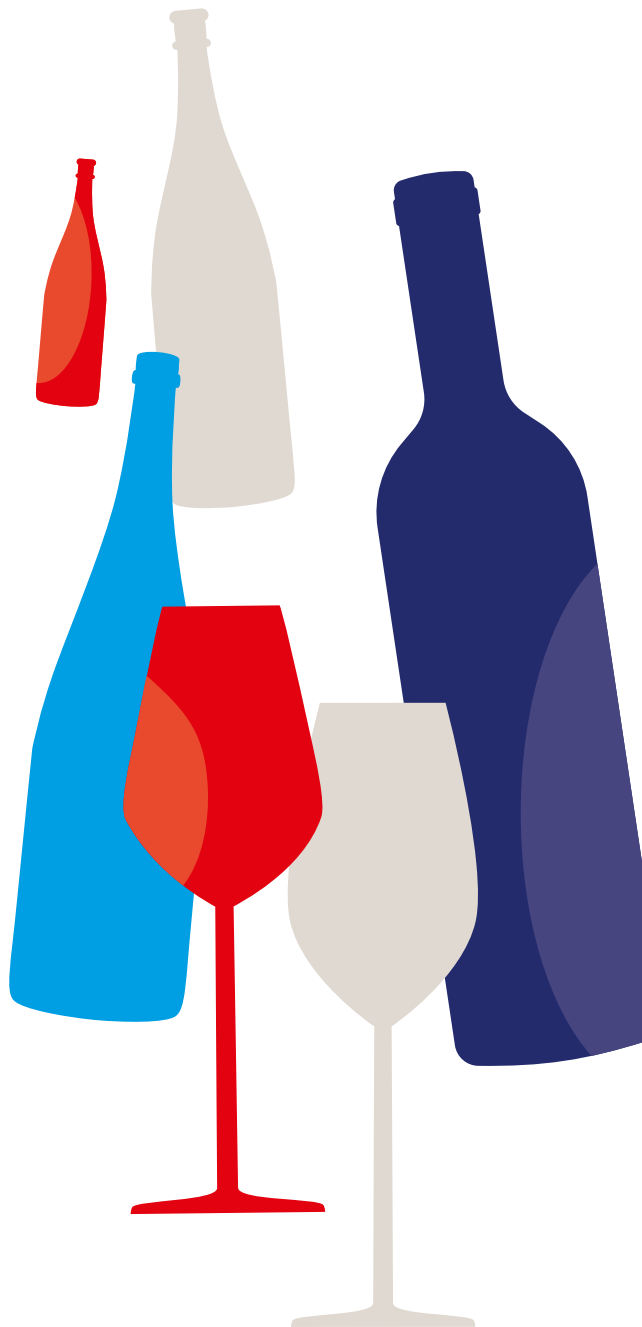

We warmly invite you to a wine tasting

The wine tastings take place in accordance to the covid-19 regulations for the HORESCA-business. Feel safe and let the skill and passion of the wine-makers convince you of luxembourgish wines and crémants.

All information regarding this event can be found on the Facebook page of "Vins & Crémants Luxembourg".

In order to manage the flow of people correctly, we kindly ask you to book your table in advance directly at the winegrower of your choice.
